AYSS Asia Pacific Region “Catch up” Meeting

With increased competition in the region, the Agents from the Asia Pacific area have decided to get together for a “catch up” meeting in Auckland, New Zealand on 11/12th March, during which time the Auckland International Boat Show & the Louis Vuitton Pacific Series are on.

Members from: New Zealand, Australia, Fiji, Tonga, New Caledonia, Tahiti & a representative from the Asia-Pacific Group will spend the time discussing how to encourage more vessels into the region & collective advertising, streamlining pricing & how we invoice vessels, competition from newly formed & existing groups outside of AYSS.

It is a great opportunity for members to meet new suppliers & services at the Boat Show as well as meeting boats that are in Auckland that may be heading to their country's and enjoy the very exciting Louis Vuitton Pacific Yachting Series which is being held during the month of March featuring 14 syndicates.

Should any other members wish to attend, please advise:

Antigua Charter Boat Show

Once again many thanks to George Clarke and Antigua Yacht Services for advertising AYSS in such a prominent position at the show. Banners were placed on the main road opposite the Main dock in Falmouth Harbour and are still up now.

The new AYSS leaflets were distributed amongst the many yachts that attended. The show was heralded as a great success with 93 yachts from around the world present.
